Dear Business/Property Owner:

The Northampton Department of Public Works (DPW) would like to invite you to a second Public Information Meeting for the proposed transportation improvements at the Pleasant Street & Conz Street intersection. A presentation will be given by Nitsch Engineering, an engineering consulting firm hired by Massachusetts Department of Transportation (MassDOT).

This meeting is being held to solicit comments and input from the local businesses and public in regards to proposed changes to the intersection that are intended to improve access through the intersection for pedestrians, bicyclists and motor vehicles. The information presented will be at a conceptual level and is intended to encourage comment from the public that the designers can use as they proceed with a more detailed design development in the coming months.

Please join us:

Who:	Nitsch Engineering Consultants
When:	Wednesday, February 15, 2012 (7:00 to 9:00 pm)
What:	Presentation and Gathering Comments from Businesses and the General Public on the Proposed Conceptual Design
Where:	Northampton Senior Center, 67 Conz Street
Why:	Public Information Meeting for Pleasant Street & Conz Street Intersection

If you have any questions about this meeting, please call Laura Hanson at (413) 587-1570, ex. 4312.

Sincerely,

Edward S. Huntley, P.E.  
Director of Public Works
